

School Accountability Report Card

Reported Using Data from the 2017–18 School Year

California Department of Education

Odyssey Learning Center

Address: 7150 Santa Juanita Ave. Orangevale, CA 95662 **Phone:** 916-988-0258

Principal: Lovina Robinson **Grade Span:** K-12+ (5-22)

This executive summary of the school accountability report card (SARC) is intended to provide parents and community members with a quick snapshot of information to individual public schools. Most data presented in this report are reported for the 2017-2018 school year. School finances and school completion data are reported for the 2017-2018 school year. Contact information, facilities, curriculum, and instructional materials, and select teacher data are reported for the 2017-2018 school year. For additional information about the school; parents, and community members should review the entire SARC or contact the school principal.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Odyssey Learning Center, an accredited non-profit school, serves children with autism spectrum disorder. Our mission: "We are committed to enhancing the lives of children with autism, using a collaborative approach to educate and nurture them in their journey towards independence with integrity and dignity." Odyssey utilizes a multi-dimensional teaching approach for independent living, communication, academic, and vocational skills training with a supportive, structured learning environment. All classrooms are staffed with a credentialed special education teacher, trained to work with students who have autism, and one trained educational aide to support every 2 students. With the 1:2 staff to student ratio, each of the 10 classrooms can have five or more staff working with the special education teacher.

School Description and Mission Statement (School Year 2018–19)

Odyssey Learning Center offers programs for children with autism spectrum disorder (ASD) or autistic like symptoms. The main office and school site are located on five acres in rural Orangevale, approximately twenty miles northeast of Sacramento, CA. We utilize a multi-dimensional teaching approach for academic, communication, independent living and vocational skill training within a supportive, structured learning environment. "Odyssey Learning Center will embrace the uniqueness of autism while providing meaningful opportunities to learn, communicate, create, and socialize across culturally driven environments."

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

School Facility Conditions and Planned Improvements

- Odyssey Learning Center school facilities are in good to exemplary conditions.*
- There are no known major or structural defects to the grounds or buildings.*
- The classroom buildings are all in exemplary condition on both the interior and exterior.*
- The front Administration building and the Transportation/Maintenance buildings both have superficial weathering to the siding and trim, of which both are in the current repair process.*
- All campus structures received annual roof maintenance during the summer of 2017 to ensure roof longevity and protect against possible water damage.*

- *Odyssey is currently in the discussion/planning stages of structural and design remodels to the Administration building and the Transportation/Maintenance building. Both of these projects would utilize the current foundation footprint and consist of the redesign and partial rebuild of the structures. Odyssey's swimming pool was just re-plastered and was brought into all state commercial standards.*
- *Odyssey Learning Center has also remodeled a big room and has provided OT equipment in the room. In addition, there are two small offices for the OT department*

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
English Language Arts/Literacy (grades 3-8 and 11)	NA	NA	NA	NA	NA	NA
Mathematics (grades 3-8 and 11)	NA	NA	NA	NA	NA	NA

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group
Grades Three through Eight and Grade Eleven (School Year 2017–18)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded

Students with Disabilities	75	45	60%	N/A
Students Receiving Migrant Education Services	0	0	0	N/A
Foster Youth	2	1	50%	N/A

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Subject	School 2016–17	School 2017–18	District 2016–17	District 2017–18	State 2016–17	State 2017–18
Science (grades 5, 8 and high school)	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

Career Technical Education (CTE) Programs (School Year 2017–18)

- *Students at Odyssey participate in outings with staff in the community. Depending on their individual goals, students practice independent living skills such as grocery shopping, purchasing snacks, and practice paying using the “dollar” up system*
- *Adult students at Odyssey work on vocational goals. These goals include wiping tables, vacuuming, running errands with staff, filing, typing, food preparation and other vocational task such as practicing hanging clothes on a clothes rack*
- *These vocational tasks and community outings are embedded in the program and most all students can have an opportunity to do tasks outside of the school community.*
- *Our student’s transition to the adult day programs with skills and many can find jobs for Goodwill, PRIDE and the like. We believe it is important to set up our students to succeed as adults with the least amount of assistance as possible.*
- *When the student reaches 14 years of age, the IEP team develops a transition plan with specific goals linked to career, education, and training based on individual student interest and abilities. This plan outlines all goals that will assist students in career and vocational interests and are tailored to fit the individual student. They are developed to help the student reach his or her maximum potential.*
- *Additionally, students ages 17-22 participate in a workability program wherein they gain experience in the public library, pizza restaurants, and professional offices. Student progress is measured daily by charting and observation. Other measures of achievement are quarterly updates and the IEP.*
- *The age of 22 marks the end of the student’s stay at Odyssey. Prior to this age, every effort is made to collaborate with the student’s district representatives and the program receiving the student after graduation (usually ALTA). Odyssey works with ALTA to ensure a smooth transition into adulthood*

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018–19)

The school has included parents and the parents have created a Parent Advisory Committee (PAC). The committee helps with fund raising events for the school, including GALA's and the Secret Santa. We encourage parent involvement and appreciate the support of our families.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School 2014–15	School 2015–16	District 2014–15	District 2015–16	State 2014–15	State 2015–16

School Safety Plan (School Year 2018–19)

We have a school safety plan in place and the plan was last reviewed January 2019. The plan that was discussed was lock down procedures, evacuation procedures, phone threat procedures, communication flow chart, natural disaster procedures, fire procedures and our current program. We also discussed the current plan we are creating called CAP. Crisis Aversion Plan. We will be rolling that out here at Odyssey this year. In addition we are installing a gate at the front of the school that would require all visitors to check in at the gate to gain access to the campus.

Professional Development

What are the primary/major areas of focus for staff development and specifically how were they selected? Staff development was based on learning the program ULS (Unique Learning System) (News2You). Staff would benefit most from learning the ULS system. Crisis Aversion Plan and First Aid are also areas of staff development that we focus on due to student population. Behavior training is also another area of focus.

What are the methods by which professional development is delivered? The trainings are conducted after school, on the weekends and in person as well as trainings at PCOE and SCOE

How are teachers supported during implementation? Teachers are supported through in class coaching, staff meetings, and teacher principal meetings

In addition, teachers and all staff are given training in the following areas during our In-Service days

**Student Behavior*

**Non-contingent reinforcement*

**BTSA*

**Writing IEP goals*

**OT-Brush and Joint Compression*

**Charting pages*
